COMPUTER TERMINALS

OVERVIEW

- Components

  - Display Screen (monitor)

  - Keyboard

  - Central Processing Unit

  - Accessories
COMPUTER TERMINALS

HEALTH EFFECTS

- **-** Eyestrain

- - Fatigue and musculoskeletal Problems

- **-** Radiation

- - Repetitive Trauma Disorder

COMPUTER TERMINALS

INTERVENTIONS

- Lighting (quantity, contrast and glare)

- Chairs (height, seatpan, and backrest)

- Display Screen (tilt and distance)

- Keyboard (detachable and adjustable)

- Exercises

SHOULDER ROLL
